RE: Change in Prequalification Status

Dear Mr. Heimer:

The Department of Public Works and Transportation has received your application to be prequalified to perform additional work types in the City of Arlington. Our records indicate that your company is currently prequalified to perform the following type(s) of work:

- Storm Sewer
- Street Repair
- Channel Lining
- Concrete Structures
- Demolition
- Earthwork
- Miscellaneous Concrete
- Sidewalks
- Subgrade Preparation
- Manhole Rehabilitation
- Water and Sanitary Sewer Lines & Appurtenances

Based on your recent application, references and work history, we have re-evaluated your status and your company is now prequalified to perform the additional type(s) of work indicated below.

- Asphalt Paving

Prequalified means you will not be required to resubmit a new application for the approved type(s) of work prior to performing any future work or projects. However, based on your work performance and quality of work, a re-evaluation of your prequalification status may be required at our discretion. You will be notified of any change in status.

If you have any questions concerning this matter, please call me at 817-459-6550.

Sincerely,

James A. Essenmacher
Inspection Supervisor
