RE: PREQUALIFICATION FOR PAVING PROJECTS
City of Fort Worth

RENEWAL

EFFECTIVE DATE – April 1, 2020

CONCRETE PAVEMENT CONSTRUCTION/RECONSTRUCTION – NO LIMIT

Dear Ms. Reyes:

The City of Fort Worth Department of Transportation and Public Works has reviewed the materials you have submitted for prequalification RENEWAL to perform street paving in the City of Fort Worth. This letter is to advise you that you have been deemed qualified to bid upon and perform the types of street paving indicated above, up to the limits specified. This notice serves only to advise you of that prequalification as future project specifications may require and does not otherwise affect any other provisions of those same project specifications.

This prequalification will remain in effect for two (2) years as long as you remain in good standing with the City of Fort Worth. Prior to the end of the two years you are required to submit a new financial statement for consideration.

In the interim, if you have any questions or comments, please do not hesitate to contact me.

Sincerely,

Roy L. Teal, Jr., P.E.
Construction Manager
