PREQUALIFICATION TO BID CITY OF FORT WORTH WATER DEPARTMENT PROJECTS

Dear Mr. Reyes:

Thank you for your submittal of information and data toward prequalification to perform our work.

We are pleased to advise that your prequalification has been finalized. A bid limit **\$122,477,360.00** has been established for your organization based on the financial data submitted.

Your firm is prequalified to perform the following work:

- Wastewater Mains (30" and under) for New Development, Rehabilitation, and Redevelopment using Open Cut construction methods
- Water Mains (42" and under) for New Development, Rehabilitation, and Redevelopment using Open Cut construction methods

The prequalification and bid limit established above will remain current through **4/30/2022**

This date was established to be sixteen (16) months from the date of the most recent financial statement received, unless rescinded for cause.

Should you desire prequalification in the future beyond the aforementioned, submittal of updated financials, work experience, and equipment list will be necessary for this department to establish a new bid limit. Please be advised that the plans and documents for the work to be performed must be submitted to and approved by the City of Fort Worth Water Department.

We appreciate your interest in our work and should you have some question in this or other matters within our purview, please do not hesitate to contact Mr. John Kasavich at (817)392-8480 or Cheryl Howe at (817)392-605-2752.

Yours very truly,

for Tony Shalulga

Chris Harder, P.E.
Water Director
